## 0W-20 ECO VE

Fully synthetic fuel efficient engine oil

Product code: U237

### Product Description:

0W-20 ECO VE is a premium quality fully synthetic engine oil which, as a result of its specialised formulation and low viscosity, provides significant fuel saving benefits to the motorist. It also possesses exceptional low temperature characteristics meaning that the oil circulates quickly even in the most demanding cold start conditions.

### Benefits:

- Provides significant reductions in fuel consumption
- Superior oxidative stability
- Excellent low temperature fluidity
- High thermal stability
- Outstanding wear protection
- Fully synthetic formulation

### Application:

0W-20 ECO VE is strongly recommended for many of the latest petrol and diesel engines in Volvo cars. In particular, this product can be used where either of the following specifications is stated by a vehicle manufacturer.

### Product Specification:

ACEA	C5
API	SN
